### User Agreement:

You ("User") can use this software on your OWN RISK.

This Software is provided "AS IS" without warranty of any kind and an "Author" will NOT be liable for any data loss, damages, loss of profits or any other kind of loss while using or misusing this software for any purpose.

Further, the Author is not forced to alter the Software nor fix any bugs in any case except of the Author's own accord.

### License:

You accept this Agreement by downloading and / or using this Software.

If you do not intend to honor this Agreement, you must remove this Software from your computer right now.

### Distribution:

This Software is Freeware. However, the Software remains the property of the Author.

You may distribute the Software freely for Personal, Non-Commercial and also for Commercial use, as long as WITHOUT MODIFYING it in Any Way.

### Support:

As this software is provided "AS IS", the Author may not provide support services for it.

### Feedback:

If you think that programs developed by me WORTH something, or If you have any suggestions, comments, bug reports, and/or feature requirements, please do let me know...

### IMPORTANT NOTE:

There is NO WARRANTY that this Software Program may fail for you...!!!

I tested as much as I could, but since it is a One-Man Project there can be errors.

This Software is Always Free of Charge.
